FROM : [REDACTED]  
Deputy Director of Personnel Policy,  
Planning, and Management

SUBJECT : Fiscal Year 1982 Intelligence Authorization Bill/DOD  
Proposal for Defense Attache Service Benefits  
and Allowances

REFERENCE : Your Memo dtd 20 April 1981, same subject

We are opposed to DOD's proposal to ride CIA's special benefits and allowances. As you are aware, many of these have been established for operational reasons that are unique to this Agency. Since the Defense Attaches do not have the same problems nor do they perform the same functions, we believe it inappropriate for them to acquire the special benefits established under the DCI's authorities.
